

PHOTO MISSION

Your next adventure is just a click away!

12 Hour Photo Challenges

Your Mission is to take 12 photos on a disposable camera given to you by Photo Mission. All entrants are given the same disposable camera. Each Photo has a different brief.

E.g. If the brief was "Red" the entrant would take a picture of an apple or red bike.

Each camera can take up to 24 photos. You may take a second picture of the brief if you think the image was ruined.

E.g. someone walked in front of camera or the image might be blurry.

Photos need to be in brief order.

You have up to 12 hours to complete the challenge.

For more information or to enter the 12 Hour Challenge go to www.photomission.com.au
